# Zeeshan Zafar

Full-Stack Laravel Developer

## Work Experience

**Full Stack Developer**                                          Jun 2023 - Continue

**Fillinx Solutions | Faisalabad**

I am currently serving as a Full Stack Laravel Developer at Fillinx Solutions, where I play a vital role in developing and maintaining large-scale products. With a strong focus on enhancing code quality, I actively contribute to adding new features, implementing robust API management and integration solutions, conducting comprehensive testing, and ensuring compliance with industry-leading best practices.

**Laravel Developer**                                            Jan 2023 - Jun 2023

**Softrix Technologies | Faisalabad**

At Softrix Technologies, I worked on a large-scale web application using Laravel, Javascript, and MySQL. My focus was on developing new features, improving existing code, and writing efficient, reusable code. I participated in Agile processes, met with project managers, and troubleshooted issues to optimize performance and user experience.

**Full Stack Developer**                                         Oct 2021 - Dec 2022

**StepUp IT Solutions | Faisalabad**

I excelled in various areas, including user-friendly interfaces, scalable web applications, RESTful API integration, and database system management. I collaborated with cross-functional teams, conducted thorough code reviews, and provided constructive feedback to drive continuous improvement. My expertise in HTML, CSS, JavaScript, Bootstrap, Laravel MVC, Vue.js, and jQuery enhanced functionality and user experience.

## Education

**BS Software Engineering**                                      2019 - 2023

**The University of Faisalabad**

I excelled academically while pursuing a BS in Software Engineering, earning a 3.45 CGPA. An enthusiastic and committed student, I participated in a variety of extracurricular activities, arrange multiple events, and served as an active member of the programming society. By participating in these unique experiences, I was able to enhance my talents as well as develop priceless relationships with my classmates.
